

Welcome to Hayat Cihangir!

We are a traditional Turkish "meyhane", meaning "a beverage-house" where you can enjoy a variety of classic Turkish dishes. We would like to explain our system in order to make you feel comfortable and familiar. We will start with our wide selection of cold appetizers, which are displayed on our meze tray. You may choose as many as you would like and we will serve them with your choice of salad and warm bread. When you will be finished with mezes, we will ask for your choice of hot appetizers and/or main dishes. The meal can be followed by your choice of dessert or the fruit platter.

You may also choose the "Fixed Menu" option and simply enjoy our pleasant choices.

We are happy to welcome you and hope you will have a great experience.

Thank you,
Hayat Cihangir.
